New Cat® 308 CR Mini Hydraulic Excavator Now Available at Hawthorne Cat
Next Generation 308 Mini Excavator Improves Operator Experience & Performance

San Diego, CA -- Hawthorne Cat®, the exclusive Cat® equipment dealer in San Diego, the Hawaiian Islands, and the Pacific Region, announces new delivery of the Cat® 308 CR Mini Hydraulic Excavator, known for its best-in-class performance, operator experience, and serviceability.

The latest 308 compact radius model delivers maximum power and performance in a mini design to help you work in a wide range of applications. Moving around the job site is easier than ever with the exclusive Cat® Stick Steer travel mode and easy-to-use controls. The upgraded cab is also equipped with an LCD monitor and customizable settings to control hydraulic performance and responsiveness as well as operator preferences.

The Cat 308 CR Mini Hydraulic Excavator delivers up to 20 percent more performance in lift, swing, travel, and multifunction to help you get the job done more efficiently. Plus, you can save money with up to 10 percent lower operating costs, improved fuel efficiency, and longer service intervals.

“Our Next Generation Cat Mini Excavators improve the standards of performance with several industry-first features,” says Ross Farmer, Corporate Machinery Sales Manager. “The Cat 308 CR Mini Hydraulic Excavator’s maximum performance and optimal operator experience make it the perfect machine to expand your heavy-duty fleet.”
